

For The Prospective Tutor

To become a tutor for the Campus-Wide Tutoring Program in the Office of University Academic Services, complete the attached application and submit it, along with a current unofficial transcript to 214 Student Union. These documents will be given a preliminary review to determine if you meet the following requirements:

- currently enrolled Oklahoma State University student;
- minimum 3.0 cumulative GPA in 30 or more completed hours (12 must be from OSU unless you are a graduate student);
- minimum of 3.25 GPA in the discipline(s) in which you wish to tutor; and
- completion of each course in which you wish to tutor (or its equivalent) with a grade of “A” or “B.”

After meeting the above criteria, you must obtain approval from your academic advisor, an instructor, or honors adviser before your name can be added to the list of qualified tutors.

Note: A combination of education and experience may be substituted for the above in certain cases if you feel you are qualified to tutor.
